GOVERNANCE PROCESS

Governance Commitment

The purpose of the Board, on behalf of the citizens of the Member Districts, is to assure that the Districts accomplishes a worthwhile mission while avoiding intolerable circumstances.

Board Job Description

The job of the Board is to represent and govern the BOCES by determining and verifying excellent BOCES / Director performance, and to develop and modify, as needed, written governing policies which address:

a. Ends: Organizational products, impacts, benefits, results, services, recipients and their relative worth (what end result is desired for whom at what cost)
b. Executive Limitations: Constraints on executive authority which establish the practical, ethical and legal boundaries within which all executive activity and decision-making will take place
c. Governance Process: How the Board will conceive, carry out and monitor its own work
d. Board/Director Relationship: How authority is delegated and its proper use monitored; the Director role, authority and accountability

Governing Strategy

The Board will govern with emphasis on BOCES vision rather than on interpersonal issues of the Board; encourage diversity in viewpoints; focus on strategic leadership rather than administrative detail; observe clear distinction between Board and Director roles; make collective rather than individual decisions; exhibit future orientation rather than past or present; and govern proactively rather than re-actively.

REVISED 10/22/2019
Monitoring Board Performance

The purpose of monitoring the Board’s Governance Process and Board-Director Relationship policies is to determine the degree to which the Board is following its own policies.

3. Represent the Board to outside parties in announcing Board-stated positions and in stating decisions and interpretations within the areas delegated to the President, delegating this authority to other Board members when appropriate, but remaining accountable for its use
4. Sign all contracts authorized by the Board
5. Sign all official Board reports
6. Maintain all monitoring data and reports for Executive Limitations and Ends policies and compile data for evaluation of the Director
7. Seek input from the Board and prepare, with the Director, the agenda for the Board Meeting

In the absence or inability of the President, the Vice President has all of the powers and duties of the President

Board Committee Principles

Board committees or liaison, when used, will support the work of the Board and to reinforce the wholeness of the Board’s job, and never to interfere with delegation of authority from the Board to the Director.

The Board's sole connection to the operational organization of the BOCES is the Director.

Unity Of Control

Only decisions of the Board acting as a full body are binding on the Director.

Delegation to the Director

The Board will instruct the Director, through the Ends Statements and Executive Limitations to describe BOCES situations and actions to be avoided, allowing the Director to use any reasonable interpretation of these policies.

The Director, in coordination with the member district Superintendents, shall have the authority to add new positions to the BOCES, as well as, post and hire for these positions.

Monitoring Director Performance

Director job performance will be monitored systematically and rigorously against the only Director job expectations: accomplishment of Board's Ends policies and organizational operation within the boundaries established in the Board's Executive Limitations policies.

Each June the Board will conduct a formal summative evaluation of the Director. The summative evaluation is the data derived from the three-member district Superintendents during the year from monitoring Board policies on End and Executive Limitations. The evaluation document will consist of a summary of commendations and
recommendations from the three Superintendents and the BOCES Board. Recommendation for continued employment, with improvement noted, or for dismissal, will be given to the Director by March of each school year by the BOCES Board.
